2. [Optional] What are the top things we should do to address the gap between rich and poor in Powell River?

Response	Response Text
1	rent geared to income housing
2	lower taxes and remove school taxes from property taxes of seniors
3	Loaded question. Wealth increases with age in our society. Taxing increases in the value of personal residences would be a start.
4	Level of services has to be afforded and local property taxes are very high relative to incomes
5	More health care specialists and faster health care service delivery.
6	The "poor" is not a permanant condition for most. This condition is highly transitory when there ar no underlying self imposed choice or habit.
7	Better public transit avalability.
8	Tax the rich their equal share, increase corporate tax

3. How would you rate the current health of our local economy, taking into account things such as large and small businesses, industry, employment, real estate, tourism, taxes, and any other factors?

5. [Optional] What things would be most important to work on to strengthen Powell River's economy?

Response	Response Text
1	More emphasis on sustainability and eco-based activities instead of timber mining
2	Texada is dying - ferry rates are killing it
3	recreational activities (nature/family camping, etc/ sports facilities)/ first nations cultural tours / retirement communities
4	Diversification, propmote the new water front as a destination for boaters
5	Create a business evironment to attract new businesses City council must make it easier for new businesses to start Fight to reduce ferry costs.
6	cut city spending on non-essentials
7	Tourism promotion, encourage more retirement in the area and extend broadband service at MODERATE cost.
8	The outlook depends on decisions are local politicians make. Enhance our competitive advantage. Protect our environment for goodness sake
9	Texada economy is in deep trouble. The community needs to re-establish itself with a varied economic base .
10	A broad range of services and opportunities. Recognition of outlying areas' needs.
11	people to care for their community.. and businesses to stop spiking prices.
12	Incentives to stimulate new industries such as wine grape vineyards, water bottling, coffee roasting, ie: cheap land leases, tax breaks, grants
13	Focus away from logging and fishing as main industries. Focus on life style opportunities
14	Better Ferrey service is important. more emphasis on recreational tourism.
15	Projects that would encourage more tourism. Lobby prov. gov. to lower ferry fares; ferries shld be same as highways-paid thru taxes.

8. [Optional] What are the most important things our community can do about work and employment in Powell River?

Response	Response Text
1	BC ferry rates are too high to support businesses in area. Efforts to support economic growth need to focus on small scale not mega projects
2	People are leaving Texada and there are no jobs
3	reduce ferry rates / should have a residents' fare as the ferries are part of our highway
4	attract green industries that require electric power and/or natural gas. Perhaps greenhouse food production.
5	attract new businesses and stop the "NIMBY" attitude for new industries that express an interest in building new industrial businesses here.
6	Assist small business to establish based on improved internet access.
7	Produce a plan to protect our environment and create jobs that enhance PR's environment for retirees and tourism, while creating "smart" jobs.
8	Provide infrastructure. Encourage entrepreneurship.
9	City hall needs to be more progressive and aggressive in IDing what businesses can work here and attracting them.
10	Provide a TRUE means of connecting jobs with people in the fields they are already trained in.
11	Learn what the word "service" means (in the retail industry) Service in most stores is non-existent!! Get some quality in the town , not WalMarts

20. [Optional] As a community, what should our top actions be to help the environment?

Response	Response Text
1	Preserve some areas from the clear cutting that is going on
2	This applies only to Texada
3	place environmental issues as no.1 in all decisions re land use, industry, fish farms, clearcuts, etc. Visitors will not come to see a clearcut.
4	An energy audit should be completed for the City and the region
5	cut back on the raping of trees in the community for the sake of housing.i am waiting to see the flooding of brooks school in the near future.
6	Try to reduced environmental damage that will reduce the attractiveness of the area as a destination for tourism, ecotourism in particular, retirement
7	Support the burning ban in back yards. Have a clean air bye-law. Have a green waste collection. --on Texada people burn plastics in their back yards!
8	transportation.. keeping more things in the down town area.. library.. for sure..
9	blue boxes, more recycling, regional composting facility with roadside pickup of compost, more bike greenways
10	Reduce logging and fishing and encourage mining industries
11	Major work needs to be done on this issue, taking the first step was great but time to put the other foot forward.
12	Create more PROTECTED greenspace/Parks; STOP industrial damage to lands-get co's to repair damage; PREVENT MINING at Davie Bay, TexIs.; VOTE NDP/GREEN

23. [Optional] What are your top issues about health and well-being in the community?

Response	Response Text
1	There is no fitness program, fitness centre or gym available on Texada.
2	We need long term, multi-level care for the aging population
3	Attracting and retaining specialists and enough doctors. The nurse staffing levels in the hospital need changing. One RN in ER, who came up with that
4	Keeping medical professionals resident in the area.
5	The PR hospital by all account has failed. So new management needed there
6	Texada medical is poor with no coverage on weekends and holidays when most visitors arrive.
7	I am concerned about PR's ability to attract top-notch practitioners.
8	Not enough medical specialists. Referrals take too long. The hospital is not good enough, too many mistakes!
9	always room for improvement here.
10	not enough mental health counsellors; or MD specialists; Hospital needs more funding; finish SeaWall in PR & fund one on TexIs. many will use it

29. [Optional] What goals and actions are most important when it comes to literacy and learning in Powell River?

Response	Response Text
1	New library with decent facilities
2	On Texada the library is run well by volunteers, but the school population is decreasing rapidly. There are no opportunities for young people.
3	need a new library building / new museum space
4	Adult education
5	Improve faster broadband service at a reasonable cost. Reduce the number of residents who can only use dialup. Online learning is hopeless on dialup.
6	The school on Texada should have a resident principal and the kids should be educated locally and not being ferried over to PR
7	Need more course variety at VIU. Night school programs for Texada, people can't afford the ferry for courses in PR
8	I'll say it again, Library Plan needs to move forward. Go Ilok at Courtenays library and you will see how embarrassing PR's is....
9	BUILD A NEW LIBRARY!! NOW!!!

30.

32. [Optional] What are the most important things we should do about transportation to places people need to go in and beyond Powell River?

Response	Response Text
1	On Texada there is no alternative to the car. High ferry fares are killing the island.
2	make ferries part of the highway system and make fares affordable
3	Integrate transportation for the Sunshine Coast, Powell River, Texada. Ferries, bus and shuttle services.
4	BC Ferries needs to be the same as inland ferries which are part of the highway system and free the rising cost of BC ferries will kill PR in time
5	build bridges to texada island and vancouver island
6	Stop increases to ferry fares above the rate of inflation.
7	Ferry rates-down. PR to subsidize the Malaspina Coach Lines -need to get to Texada from Van in one day. KD Air fares are too high for local residents
8	provincail gov't needs to be made aware & recognize small communities on islands cannot sustain their economies with rapidly increasing fares.
9	Get government to assume direct control of the ferry corporation.
10	CHEAP FERRY FARES! Subsidize if necessary. Texada residents can't afford the ferry to do anything in PR, arts, culture, sports, education included.
11	Why is there not a Green Wave for Joyce Avenue? it's silly not to have it being that we only have 3 lights, it will reduce emmisions and save gas.
12	Lobby Prov.Gov. to return ferries to NON_PROFIT gov. control; lower ferry fares; stop fare increases; need Comox-PR ferry to stop on route at Texada

Response	Response Text
1	fixing up wharf/saving old arena from development/Millennium Park/Kathaumixw/SOAP/
2	Westview warf upgrade!!
3	Improvements in choice among retail stores. Better stores and services in Powell River means less ferry travel needed to make important purchases.
4	The old township has regenerated. Hopefully the Westview ferry dock development will be a good feature. Nothing much to report on Texada.
5	Quality Foods
6	Arts festivals, local talent and local artists
7	Logging the Heron nesting site, and then moving the oval to a location req vehicle to access well done PR.
8	Sorry, can't think of anything. It is deteriorating. Looking forward to new seawall walk by ferry landing being finished.
